 50 Allan Drive,

Ebenezer Community Hall
 4494 Ebenezer Rd,
 near Hwy 50 and Ebenezer Rd

Session 1: Wed 6:25 - 7:25 pm
 Session 2: Wed 7:35 - 8:35 pm

Session 1: Sun 10 - 11 am
 Session 2: Sun 11:10 - 12:10 am

Game Coding Club Gr 3-5, Gr 6-8

You have the ideas, you have drawn the sprites, you have gotten the background... Now how do you make the game come alive? Coding!! i.e. writing the instructions that make the game play the way it was meant to play. Our Game design coding club is a step in this direction. Using gamemaker, we introduced coding ideas and methods to get things moving and behaving as they were meant to behave. This is the first step into the awesome world of computer programming..

Fall 2017

Sept 27 - Nov 5
 Oct 11 - Dec 1
 Nov 22 - Jan 31
 Dec 6 - Feb 14

Oct 15 - Dec 3

Robotics-Mechatronics Club Gr JK- 1, Gr 2-5. Gr 6-8

Build and control various LEGO™ models, with gears, beams, motors, sensors and coding. Our projects are selected to explore movement and control while being age and skill appropriate. Get ready for hands-on activities that involve construction, problem solving, creativity, science and technology. This is a confident step into the awesome mindset of maker/ engineer. Certificate of achievement is issued at the end..
