

## About **Batts Athletic**

Batts Athletic is an exciting endeavour built upon our passion to provide an affordable and accessible way to maintain your health.

Our mission is to help you lead an active life. Not only do we hope to provide the best, but to constantly improve upon it. That's what makes us a complete solution to your fitness needs.

It all wouldn't be possible without our talented staff, strategic partners and engaged membership. You matter to us. We address your needs, value your comments and survey for your opinions to improve your overall Club experience.

As stewards to you, we view your goals and interests as our own, and we are eager to help you reach and explore them.

## *All are Welcome*

Skilled athletes and beginners alike are welcome to join our club leagues, ladders, round robins and tournaments for Badminton and Table Tennis. Private lessons are also available to help you improve your game and rise in the ranks.

## *It's all in the City*

Locally owned and operated, Batts Athletic serves members with high quality service, personalized care and constant improvement. Our club continually reinvests to provide members with an ever-changing facility.

Flooring approved by  
International Federation for  
Badminton and Table Tennis

## *Endorsed by the best*

The club's flooring and facilities are approved by the International Federation for Badminton and Table Tennis making the club a one-stop-solution for every kind of athlete.

## *Guiding Force to Your Children*

Take comfort in knowing that your children will begin developing an active lifestyle in their early years. Beginning with toddlers, our professionals design safe, age-appropriate lessons and recreational activities, including structured and unstructured exercise, to teach young ones the foundations of active living.
