Program Descriptions

<p>Family Time 0-6years Parents/caregivers with children birth to 6 years of age engage in play activities to support children's social, emotional and learning development. A variety of learning opportunities are available to promote your child's play-based learning. Staff facilitates a group time with songs & story.</p>
<p>Baby Playtime 0-12 months Parents explore early learning activities with their babies and network with other caregivers.</p>
<p>Shake, Rattle and Roll 0-18 months Children develop coordination, language and pre-reading skills through songs, movement and storytelling. Parents develop practical skills to use at home to enhance child development.</p>
<p>Toddler Time 12-24 months Parents and toddlers participate in gross motor and play activities, ending with circle song time; supporting motor, problem solving, social and language skills.</p>
<p>School Preparedness 3.5-6 years Children prepare for school, as they engage in activities that develop their pre-reading and math skills.</p>
<p>Family Move and Groove birth-6 years Parents and children participate in gross motor and play activity, ending with circle song time; supporting motor, social, and language skills.</p>
<p>Songs & Story 0-6years Join us for different story telling methods, supporting the language and literacy development of your child.</p>
<p>L'Heure Du Conte naissance – 6 ans Soyez des nôtres dans ce programme d'activités de contes, de chansons et de comptines visant à éveiller les habiletés de langage et de pré-lecture.</p>
