

## Mississauga Ringette Association

Established in 1974, the Mississauga Ringette Association is working to build our ringette community.

We are a volunteer based, not-for-profit organization. Our mission is to provide a safe and fun environment for kids to play! We are all about **FUN AND FRIENDSHIPS ON ICE!**

Whether you want to learn to skate or try playing ringette – we have a program for you! Our Learn to Skate program is taught by a certified skating instructor, and will focus on proper technique and edgework. Our Learn to Play program goes a step further and teaches fundamental ringette skills through skills

sessions and game play.

### Try Ringette!

Once you try it – you will LOVE it! Ringette is a true team sport – all players on the ice are involved in the play!
