

The Region of Peel's Family Literacy Program is a series of nine workshops that supports caregivers and children while discovering creative ways to:

- Increase vocabulary and support language development
- Develop a daily reading routine
- Incorporate math throughout the day
- Identify the connection between signs, labels and logos
- Boost early writing skills
- Build literacy skills using play
- Appropriately guide screen time

# Family Literacy Program

## Talk. Read. Play. Sing.

Important literacy skills are learned before children start school and are the building blocks for lifelong learning.

The Region of Peel's free Family Literacy Program allows you to spend time together as a family while participating in stories, rhymes and activities that explore ways to incorporate literacy into everyday life.
