

“Save the Date” GET READY! for Secondary School

Attention Parent or Guardian,

We are very excited to offer the “**Get Ready! for Secondary School**” transition program.

“Get Ready!” is designed to provide your son or daughter with a successful transition into the secondary years through:

- ✓ a fun and interactive orientation to the school layout, schedules, and routines
- ✓ an introduction to effective learning strategies and organizational skills
- ✓ a review of key concepts in literacy and numeracy
- ✓ a chance to meet some future teachers
- ✓ a chance to make connections to peers in the incoming class

Students who have completed this program in previous years say that participating in the program made them feel more comfortable and better prepared for the start of Secondary School.

The program is **tentatively** scheduled to run in the last week of August 2024 (August 26 – 28, 2024 are potential dates).

To ensure your child’s participation in the “**Get Ready! For Secondary School**” program, be sure to watch your email for registration information March 2024.
