

Winter is fast approaching and it's important that everyone riding a school bus is familiar with STOPR's inclement weather and cancellation procedures.

As part of these procedures, the Region of Peel has been divided into three weather zones as weather conditions may require cancellation in a specific zone or zones. STOPR will monitor weather and road conditions and when it is necessary to cancel transportation due to inclement weather, STOPR will cancel by "weather zone." (i.e., Zone 1, Zone 2 and/or Zone 3).

How do I find out what weather zone my school is in?

It is important that all families know what weather zone their school is assigned to. You can find a weather zone map and weather zone descriptions on this page.

A complete list of schools and assigned weather zones can be found on our [Weather Cancellations](#) page.

Parents can also log into our [Parent/Student Portal](#) to access their children's' busing and weather zone information.

How are Weather Cancellations Communicated?

School bus cancellations will be communicated by the appropriate weather zone number prior to 06:00am each morning through the following:

1. STOPR X account [@STOPRInfo](#)
2. On the STOPR [Delayed Buses](#) webpage
3. On school board websites – [dpcdsb.org](#) and [peelschools.org](#)

What if I live in a different weather zone than my school?

Most families live within their school's weather zone.

For families who happen to live outside of their school's weather zone, they should review the STOPR weather zone map and confirm what zone their home address is located within.

On inclement weather mornings, these families will need to monitor the [STOPR website](#) for both their "school weather zone" and "home weather zone" for cancellations.

For families who live outside their "school weather zone," their transportation will be cancelled if either their "school weather zone" cancels or their "home weather zone cancels."
