

April 22, 2020

Good Afternoon Grade 12 Students and St. Thomas Aquinas families,

We hope that you and your families are safe during these unprecedented and challenging times.
This letter is to communicate important information about **midterm marks**.

- Grade 12 students will be receiving an email to their board issued email accounts indicating the midterm marks to be submitted to the Ontario College Application Service (OCAS) and the Ontario Universities' Application Centre (OUAC).
- If a student is enrolled in an eLearning course through another school, an additional email will be sent indicating the midterm mark for the e-course.
- Students who wish to drop a course must contact their guidance counsellor by email before **NOON on April 29, 2020**. Full disclosure to post-secondary institutions through OCAS and OUAC will be sent after this time. This means that any course drops after April 29, 2020, will appear on a student's official transcript.
- Students are advised to check their post-secondary institutions websites for updates regarding scholarships and admissions.

Student under the age of 18: The student's parents/guardians must contact the Guidance Counsellor and follow the school process to drop a course.

Student over the age of 18: The student must contact her/his **Guidance Counsellor** and follow the school process to drop a course. Approval from Administration is required.

It is the responsibility of the student to inform their Guidance Counsellor if they are taking any courses **outside of Dufferin Peel Catholic District School Board**. (For example, with a private institution or virtual high school).
