Anderson/Vu	Yesterday, our varsity senior boys' volleyball team played in their last regular season game against our archrival, our nemesis, Lincoln Alexander. Although our boys started slow in both sets, they found that extra gear to soar their way, like the true Eagles that we are, to a straight sets victory over Lincoln. It was NO trick, but a treat of defeat we handed to Lincoln on Halloween day! We soared like Eagles with determination and commitment. And in the end, our Ascension boys smashed their way to a 3 sets to 0 victory! Great job boys! The coaches want to THANK each member of the Volleyball team for their participation this year! You've been awesome!
Vadori	Intramural basketball players, your championship playoffs are here! Check the schedule in front of the Phys. Ed Office.
