## Terry Fox Feature

### **Terry Fox Walk Sept. 26<sup>th</sup>, 2019 St. Augustine School Article By: Sandra Farooq**

Terry Fox ran to fight cancer. He lost his leg to cancer when he was a boy. This inspired him to run across Canada to raise money for cancer research. He was unable to complete his run because he got cancer again.

In September Schools and communities all across

Canada help Terry with his Marathon of hope. St. Augustine students walked around the neighbourhood and then participated in a school wide BBQ. The weather was nice and Mr. Sansalone cooked the food outside.
