The relationship between home, school and parish is one that is constantly present in our children's life. The teachings of the Catholic Faith continuously surround the children. The fundamental beliefs of the Catholic Faith are taught throughout the curriculum. Christ's teachings are all evident in the daily routine and interactions at school. Children pray together often and there are many visible reminders of our faith throughout the school

On numerous occasions throughout the year, we gather as a faith community for Liturgies or to celebrate Mass. St. Basil has an amazing virtue program that is designed to nurture virtues and character development. Each month a virtue is celebrated and reflected upon in class, at home and as a whole school community.
