Dear St. Basil Families:

I am writing to update you, further to my letter of February 26, in which I advised of the need for our school to switch to remote learning due to the temporary absence of staff due to COVID-related self-isolation requirements and resulting challenges to provide safe supervision and to maintain operations in an in-person environment at our school.

We had initially hoped to return to in-person learning on March 8. However, as a result of continuing challenges, the Dufferin-Peel Catholic District School Board has extended the period of remote-only learning up to and including Wednesday, March 10 with a **return to in-school learning at St. Basil on Thursday, March 11.**

If you have any questions or concerns, please reach out to us through the school mailbox at st.basilinfo@dpcdsb.org or by calling the school at 905- 624-4529.

Thank you for your continued patience and understanding as we navigate through these challenging times together.

Sincerely,

Edward Filippozzi
