

October 2, 2019

Dear Parents and Guardians,

We were notified today that CUPE, which represents a number of our school support staff, has given notice that they will be moving their job action to a full withdrawal of services effective Monday, October 7, if a provincial settlement is not reached by the end of day on October 6. In the DPCDSB, CUPE staff are in a range of job classifications, including Secretaries, Custodians and Maintenance personnel, Clerks, Library Technicians, Buyers, Technical Support Specialists, and Supply Chain Expeditors.

DPCDSB is reviewing the impact of this action on school operations and the options available. In this regard, we will continue to provide updates through the DPCDSB website (www.dpcdsb.org), all school websites, Twitter (@DPCDSBSchools) and through our school communication channels.

Thank you for your patience and understanding during this period of job action.
