

Accessing Public Libraries With An Online Library Card

All students and staff can access Public Library Resources with their library card. However if you do not have a public library card, a number of library systems are offering online library card registration, which can be found at the following library websites. You can then access a number of their resources, especially eBooks.

Mississauga Public Library

<https://web.mississauga.ca/library/using-the-library/get-a-virtual-library-card/>

Caledon Public Library

https://datas-1.sirsi.net/CTS/OLCO/self_registration.html

Brampton Public Library

<https://www.bramptonlibrary.ca/index.php/about/get-a-library-card>

Orangeville Public Library

<https://www.orangeville.ca/orangeville-public-library/library-cards/get-a-library-card>
