

August 2020

Dear Families,

As we continue to navigate COVID-19 together, we are pleased to share an update on enhanced options for buying your school uniform in 2020.

Our school uniform provider, McCarthy Uniforms, has three enhanced options for shopping: Updated school e-stores, private appointments (prior to August 15th) and a web-supported call-center.

We encourage families to shop early and utilize these alternative channels to avoid late-August line ups. Long wait times will be the reality this year given that McCarthy's must adhere to strict social distancing measures and simply can't accept normal in-store volumes. The six feet social distance requirements translate into only 15% of McCarthy's normal in-store capacity at peak time.

McCarthy's has informed us that to support families during this time they have implemented an installment payment program (online only), introduced volume discount buying options and invested in a variety of web support tools to make online shopping easy & fast! All school uniform products can be exchanged for up to a year and returned until September 15.
