

DUAL CREDIT

What does 'Dual Credit' mean???

Dual credit programs are ministry-approved programs that allow students, while they are still in secondary school, to take college or apprenticeship courses that count towards both the Ontario Secondary School Diploma (OSSD) and a postsecondary certificate, diploma, or degree, or an apprenticeship certification.

***In other words...Earn both high school credits and college credits
AT THE SAME TIME!!!***

BENEFITS OF DUAL CREDIT PROGRAMS:

- ✓ Courses taught by qualified college faculty with industry experience in up-to-date, fully equipped facilities
- ✓ **Free** tuition, book, materials and transportation
- ✓ Earn a college credit and a secondary credit at the same time
- ✓ Earn up to 4 dual credits towards your high school diploma
- ✓ Support and guidance from secondary school teachers
- ✓ Opportunity to explore a potential career
- ✓ Gain practical hands-on experience

Students may earn up to four optional credits through college-delivered courses and there are ***now over 65 different Dual Credit College Programs*** available to choose from offered by various local colleges including Sheridan, Humber, George Brown, Seneca and Centennial. Choose one of the many programs available, explore a career choice and start your college education all before you even graduate from high school! Invest your time and effort once, and get a double return!
