

HOW TO GET STARTED?

Students who are currently in grade 10 or 11 may want to consider Co-operative Education as one of their course choices for the upcoming school year. Course selection begins in December and students can select the 2 credit or 4 credit option. Students who are interested in the possibility of joining the Co-op Program should:

- speak with their counselor to determine if co-op is a suitable option at this time
- complete a Co-op Application form and return it to the Co-op Department
- select 2 or 4 credit Co-op package during the December course selection process
- be interviewed by one of the school's Co-op teachers

All applications, informational brochures, and other related materials are located on the wall outside of the Co-op Department Office, can be picked up from the Guidance Office or you can call the Co-op Department Office directly at 905-824-1025.
