To Parent(s) / Guardian(s) of Grade Four Children:

This form will help you and your child make an informed decision about the Extended French program. Please confer with your child and complete the student reflection on this page. In addition, we ask that you and your child complete the consideration checklist on page 2 of this Information Sheet.

You will also need to have Part B of the Extended French Student Information Sheet completed and submitted as part of your child's Grade 5 EF application package. Part B will require your child's classroom teacher and the FSL teacher to complete the consideration checklist. The checklist in Part B will be completed by the classroom and the Core FSL teacher and sent to you in an effort to provide you with additional information to consider your child's interest, strengths and needs prior to entering an Extended French program. Please sign in the space provided below to indicate the two consultation steps, (1. Part A - Student Reflection & Student, Parent/Guardian Consideration Checklist, and 2. Part B - Teacher Consideration Checklist), have been completed and ready to be submitted through the online Extended French application form.
