## International Language Credit Courses for Grade 9

Parents/Guardians,

Thank you for your commitment to the Dufferin-Peel Continuing Education International and Indigenous Languages program. This is an exciting time of year as your child prepares for the transition from Grade 8 to Grade 9.

In preparation for next year and your child's continued interest in language learning, we are excited to announce that your child can now register for Grade 9 language credit courses in the International and Indigenous Languages Program for the September 2023-2024 school year.

The International and Indigenous Language program continues to offer full credit courses on Saturdays for High School students. A variety of courses are offered at each IIL site and students can register/enroll in the language course of their choice. A full list of courses can be found on the Continuing Education website. [International and Indigenous Languages \(dpcdsb.org\)](https://www.dpcdsb.org/programs-services/adult-education) and on the attached flyer.

Course availability is dependent on student enrollment.

If you have further questions, please do not hesitate to contact the Dufferin-Peel Adult and Continuing Education Department at 905-891-3034.

All the best on your child's language learning journey.
