

Our DPCDSB Mission: Disciples of Christ, nurturing mind, body and soul to the fullness of life.  
Our DPCDSB Vision: Changing the world through Catholic education.

## January 2024

Happy New Year and welcome back to our DPCDSB students, families, staff, as well as our Catholic school communities. A new year brings fresh opportunities to reflect, learn and to live more like Christ. May we open wide the doors of a New Year to Christ, to *nurture a future of hope.*

**World Day of Peace January 1** – The World Day of Peace was established by Pope Paul VI in 1968. He asked that *“every year, this commemoration be repeated as a hope and promise at the beginning of the calendar which measures and outlines the path of human life in time, that Peace with its just and beneficent equilibrium may dominate the development of events to come.”*

**2022-2023 DPCDSB Director’s Annual Report** – Our Director of Education is required by the Ministry of Education to produce an annual report to the community that outlines how DPCDSB has met the goals of our Board of Trustees’ Multi-Year Strategic Plan. As well, it provides an account of how DPCDSB has met the Ministry’s goals on Equity and Inclusivity, over the past year.

The report is included in the December 12, 2023 Board of Trustees meeting agenda. DPCDSB is committed to a Catholic learning environment that is informed by the principles of acceptance, support, and inclusion of all learners. Rooted in the Catholic understanding of the inherent human dignity of all persons, equity and inclusion are reflected in our system approach and supporting policies. This document is available on the board website.

**2023 - 2024 Revised Operating Budget** – School boards are required to file revised estimates with the Ministry of Education by mid-December in order to provide updated financial information for the fiscal year.

DPCDSB has been required to operate under a Multi-Year Financial Recovery Plan (MYFRP) since 2020-2021. DPCDSB continues to work with the Ministry to find a resolution for the unsustainable Long-Term Disability (LTD) plan and growing accumulated deficit position. The budget challenges continue to be enrolment decline and the fully paid LTD plan. The revised, estimated compliance deficit is now \$36.5 million.

**2023 - 2024 Revised Capital Budget** –The revised capital budget for DPCDSB is \$75.5 million. School Renewal (SR) and School Condition Improvement (SCI) funding is utilized to help address high and urgent needs and keep schools in a state of good repair. The COVID19 Resilience Infrastructure Stream (CVRIS) funding has allowed DPCDSB to invest in several important measures including enhanced air ventilation systems in schools that had no air conditioning and the installation of new water bottle refill stations in all schools. DPCDSB received major capital funding approval from the Ministry of Education for the replacement of St. Anne Catholic Elementary School (CES) and the new Mount Pleasant CES in Brampton.

**Ministry Curriculum Updates** – The Ministry of Education is continuing to modernize Ontario’s curriculum to ensure students are learning the foundational and transferable skills that prepare them for the future. Revised curriculum and courses for September 2024 will be issued in spring 2024 and will be available for parents on the [Curriculum and Resources website](#). The ministry is currently finalizing a call for proposals to partners to develop resources that aim to support implementation for the upcoming school year.

**January 18 – Anti-Human Trafficking Virtual Presentation** - This presentation will deal with the technical side of being lured. Phones and computers are very prevalent in luring our children into this world. As a parent/guardian, it is important to be aware of this issue and to be mindful of any signs that could be indicators that something is “not right” with your child. Having attended a number of these presentations in the past, I can attest that they are extremely informative. **Zoom Presentation Link:** <https://zoom.us/j/94889309628?pwd=Zml4VmFDNFBS21UL0QxQ1pQRThEdz09> **Password:** Gdf7TW
