Catholic Code of Conduct

In light of its Mission Statement, the Dufferin-Peel Catholic District School Board (DPCDSB) is committed to the implementation in every school of the Catholic Code of Conduct that clearly reflects the need to provide a safe, caring, inclusive and healthy Catholic school community. All community members will work together to develop spiritually, intellectually, physically, socially, and emotionally by aspiring to the highest possible standards of Catholic behavior, in living out the gospel values, and by fostering a Catholic culture of respect, responsibility and concern for the common good.

Responsibilities of Students & Community

<https://www3.dpcdsb.org/students/catholic-code-of-conduct/catholic-code-of-conduct>

Equity & Inclusive Education Policy

“The Board and its staff are committed to the elimination of discrimination, as outlined in the Federal and Provincial legislation, in a manner which is consistent with the exercise of its denominational rights under section 93 of the Constitution Act, 1867 and, as recognized in section 19 of the Ontario Human Rights Code (“the Code”).

DPCDSB recognizes, and is committed to, the values of freedom of religion and freedom from discriminatory or harassing behavior, based on religion, through its human rights policy, equity and inclusive education policy, the safe schools policy and curriculum documents. All of these will be informed by, and interpreted in accordance with, the principles of the Code.

This Procedure reflects the Board’s fidelity to Canadian law protecting freedom of religion in accordance with the Catholic Church’s teachings.” (GAP 327.00, 2013)

Students requesting accommodations must present a written notice to the principal from their parents/guardians specifying their accommodation needs relating to religious observances, including holy days on which they will be absent from school. This notice should be made in advance (where possible, at the beginning of each school year) to ensure that scheduling of major evaluations, such as tests, assignments, or examinations, takes the religious observances into consideration. A Religious Accommodation Letter can be obtained from the school or at www.dpcdsb.org.

Smoking / Vaping

The Smoke-Free Ontario Act, 2017 S.O. 2017, c. 26, Sched. 3 (the “Smoke-Free Ontario Act”) prohibits smoking (tobacco and cannabis) and the use of electronic cigarettes (vaping) at schools, on school grounds, and all public areas within 20 meters of these grounds. Pursuant to the Smoke-Free Ontario Act, anyone smoking or vaping on school property is guilty of an offence and if convicted may result in a fine. (Smoke-Free Ontario Act, 2017 Ontario Regulation 269/18 Policy/Program Memorandum 128: The Provincial Code of Conduct and School Board Codes of Conduct)

Bullying Prevention

DPCDSB prohibits bullying in all its forms, as a serious offence against the dignity of persons created in God’s image, and as an affront to the integrity of Catholic learning communities. Bullying will not be permitted on school property either in classrooms or common areas, at school-related activities, on school buses, via social media, or in any other circumstances (including cyber-bullying) where engaging in behavior will have a negative impact on the Catholic school climate or disrupt the learning environment. DPCDSB considers homophobia, gender based violence, and harassment on the basis of gender, gender identity, gender expression, sexual orientation, race, colour, ethnicity, culture, citizenship, ancestry, origin, religion, creed, family status, socio-economic status, disability and/or any other immutable characteristic or ground protected by the Human Rights Code, as well as inappropriate sexual behavior unacceptable and supports the use of positive practices to prevent such behavior and authorizes principals, or their delegates, to impose consequences in appropriate circumstances, up to and including a referral to the DPCDSB Discipline Committee for expulsion from all schools.

Ontario Ministry of Education’s definition of Bullying: <http://www.edu.gov.on.ca/extra/eng/ppm/144.pdf>

Bullying

“Bullying” means aggressive and typically repeated behavior by a pupil where:

1. The behavior is intended by the pupil to have the effect of, or the pupil ought to know that the behavior would be likely to have the effect of,
 - a) Causing harm, fear, or distress to another individual, including physical, psychological, social, or academic harm, harm to the individual’s reputation or harm to the individual’s property, or
 - b) Creating a negative environment at a school for another individual, and
2. The behavior occurs in a context where there is a real or perceived power imbalance between the pupil and the individual based on factors such as: size, strength, age, intelligence, peer group power, economic status, social status, religion, ethnic origin, sexual orientation, family circumstances, gender, gender identity, gender expression, race, disability, or the receipt of special education supports or services.

For the purposes of the definition of “bullying” above, behavior includes the use of any physical, verbal, digital, written, or other means.

Bullying

In the case of bullying, principals must suspend a student for bullying and consider referring that student for expulsion if:

1. The student has previously been suspended for bullying, and
The student’s continuing presence in the school creates, in the principal’s opinion, an unacceptable risk to the safety of another person.

Suspensions

Progressive Discipline

DPCDSB supports the comprehensive and consistent use of a progressive discipline approach, and shall reflect the model of Christian discipleship, in its implementation of the Catholic Code of Conduct.

Progressive Discipline in DPCDSB is administered with a commitment to a model of Christ-centred discipleship and rooted in an effective management of student behaviours predicated on the belief that “fairness is not sameness”, and that all consequences for inappropriate behaviours must be discretionary – including decisions around suspensions and expulsions. To ensure that schools do not employ a “one-size fits all” approach to disciplinary practice, consideration of mitigating factors will be used system-wide in the assessment, investigation, and follow-up of inappropriate student behaviours. In this way, personalized solutions will be reflectively undertaken with consideration for the unique individuals and circumstances involved.

Suspensions – Education Act, Section 306 (1)

A principal may consider whether to suspend a pupil if they believe that the pupil has engaged in any of the following activities while at school, at a school-related activity in other circumstances (including off-school property) where engaging in the activity will have an impact on the school climate:

11. Profanity/swearing, DPCDSB and school policy;
12. Possessing restricted drugs;
13. Fighting/violence, DPCDSB and school policy.

A pupil may be suspended only once for an infraction, in any one incident, and may be suspended for a minimum of one (1) school day and a maximum of twenty (20) school days.

Expulsions – Education Act, Section 310 (1)

A principal shall suspend and may consider recommending an expulsion of a pupil if they believe that the pupil has engaged in any of the following activities while at school, at a school-related activity or in other circumstances (including off-school property) where engaging in the activity will have an impact on the school climate.

1. Possessing a weapon, including possessing a firearm;
2. Using a weapon to cause or to threaten bodily harm to another person;
3. Committing physical assault on another person that causes bodily harm requiring treatment by a medical practitioner;
4. Committing sexual assault;
5. Trafficking in weapons or in illegal drugs;
6. Committing robbery;
7. Giving alcohol or cannabis to a minor;

10. Any act considered by the principal to be a serious violation of DPCDSB or School Code of Conduct;
11. Activities engaged in by the pupil on or off school property that have caused extensive damage to DPCDSB property or to goods that are/were on DPCDSB property;
12. Trafficking in weapons, illegal and/or restricted drugs

Violence Threat Risk Assessment Protocol

All members of the DPCDSB community have the right to learn and work in a safe, caring, and inclusive community under positive Catholic learning conditions. All staff and community partners work collaboratively to ensure the safety and well-being of students, staff, and communities and to preserve the dignity of all staff and students. Under certain conditions, students may need to undergo a "Violence Threat Risk Assessment" when their behaviours confidently suggest they may be at risk of harming themselves or others.

Threat assessment is the process of determining if a threat-maker (someone who utters, writes, emails, and/or gestures a threat to harm a target or targets) poses a risk to the target or targets they have threatened.

In DPCDSB, all threat-making behaviours are reported to administration. Administration in consultation with their team will then discern whether to activate this protocol. Information is obtained from multiple sources to develop an intervention plan to reduce the risk of violence. Catholic communities within Dufferin-Peel allow for students to grow, learn, reflect, and work towards reconciliation with the appropriate supports.

Fees For Learning Materials and Activities

Students in the Dufferin-Peel CDSB can expect to be provided with the basic classroom learning resources and materials needed to complete grade and course expectations during the regular day school programs.

Students are to come to school ready and willing to participate actively in their own learning. To that end, students are expected to bring materials with them for their own personal notetaking (e.g. pencils, pens, paper, and binders).

There will be no fees charged to students to participate in the regular day school program. However, as per the Ministry of Education Guidelines and DPCDSB Policy 20.00: fees may be charged where enhancements and upgraded or supplementary learning

materials or activities are offered beyond the core curriculum; or, where optional programming is available beyond the regular course programs (e.g., International Baccalaureate, or non-foundational courses offered in Visual Performing Arts, Health and Physical Education, or Technological Studies). The purchase of enhanced or supplementary materials or participation in optional programs is voluntary.

Students involved in extra-curricular teams, groups and/or clubs will be made aware of any additional contributions required in the way of time, money, or materials prior to making a commitment to participate.

Ethical and Responsible Use of Technology

All students shall adhere to DPCDSB policies and guidelines ensuring ethical and responsible use of technology.

Personal Electronic Devices Policy

In accordance with DPCDSB's obligations under the Education Act and PPM 128, DPCDSB ensures that all members of the school community shall refrain from using personal electronic devices during instructional time except under the following circumstances:

- for educational purposes, as directed by an educator;
- for health and medical purposes;
- to support special education needs.

Technology and Digital Citizenship

"...to witness consistently, in one's own digital profile and in the way one communicates, choices, preferences and judgments that are fully consistent with the Gospel..."

DPCDSB is committed to a responsible approach to addressing the technology needs of our learners in a faith-filled global context. DPCDSB incorporates next generation learning technology, including internet access, use of personal electronic devices at school, Microsoft Office 365 Education, Google for Education, Brightspace by D2L (Desire2Learn), and other programs/apps [educational technologies] as approved by DPCDSB and/or Ministry of Education for educational use. Students use DPCDSB-assigned email addresses and cloud storage spaces to support ongoing access to their digital learning spaces and collaboration with students across DPCDSB.

Supporting and programming realized through the Catholic Board Improvement Learning Cycle, ensures that each child is firmly rooted on their journey to achieving the Ontario Catholic School Graduate Expectations within our vision of global competencies.

Learners will need to become critical consumers of information, effective problem solvers, capable decisions makers and innovative communicators. Hence, learners must be able to attain the ability to think critically through the exploration of ideas and concepts, encouraging inquiry, imagination, discovery, and creativity through the connection of learners to information, to each other, and to the communities around the world through the digital environment.

Expectations for Appropriate Use of Educational Technology for DPCDSB Students

DPCDSB policy supports the use of technology for educational purposes and DPCDSB believes this to be an integral part of the school curriculum. When using technology at school, students shall abide by the school's Catholic Code of Conduct and DPCDSB policy and procedures and must follow the rules set out below. 6. The student is responsible for determining the copyright status of any program(s) or data used, and for respecting intellectual property rights and the laws which govern them.
7. Use of technology in common areas shall be as designated by the principal in accordance with the expectations of appropriate use.
8. The decision to bring a PED to school for educational use rests with the student and their parent/guardian. They assume responsibility for the safety and security of that PED and the school assumes no responsibility for lost, damaged or stolen devices.
9. Technology (PEDs) may be used during instructional time and in instructional space only with the expressed permission of the classroom teacher and/or staff and only in a manner that supports teaching and learning and digital citizenship.
10. Students should not expect that they will be able to charge their device at school.

Schools will distribute a form entitled *GF068- Student Annual Consent and Notification Form*. Be sure to read it! (Available at any time from your school Administrator.)

The DPCDSB wants to help you understand how we use personal information we collect about your child.

The Education Act requires that DPCDSB promote student achievement and well-being and deliver effective and appropriate educational programs for students. Schools collect and use student personal information to fulfill their legislated duties.

The school principal is required to establish and maintain an Ontario Student Record (OSR) for each student attending school in accordance with the Ontario Student Records Guideline and Board Policy. The OSR is a cumulative record of the student's progress used by staff to support student achievement and well-being that follows the student through Ontario elementary and secondary schools.

Sportsmanship And Ethical Conduct

The DPCDSB is committed to establishing sportsmanship and developing healthy environments for competition. We believe that the role of Catholic Education in sport is to create a sports environment that is consistent with the expectations and virtues of our Catholic system and teaches all involved in sports programs to conduct themselves with sportsmanship and respect for all. The DPCDSB Sportsmanship and Ethical Conduct Guideline outlines the various expectations for all groups and individuals associated or participating in sports programs.

DPCDSB student-athletes must behave as ambassadors of their Catholic schools and athletes must honour the responsibilities that accompany the privilege of representing our schools by behaving with dignity and respect at all times, regardless of the behavior of others. Students are accountable for their actions in accordance with the Catholic Code of Conduct and the Principles of Progressive Discipline.

Parents attending games are reminded that all competitions are to be viewed in the context of a Catholic School learning environment for all students. Parents and family members attending competition are expected to act in an appropriate manner and respect all coaches, managers, teachers, officials, and students.

Further, students must also meet and comply with requirements and rules and policies established by the DPCDSB-approved governing sports associations including:

The DPCDSB will cooperate with these groups to ensure adherence to league guidelines, investigate possible inappropriate behavior and enforce sanctions imposed.

Assessment and Evaluation Policy

“Lord, You guide me with Your counsel.” ~ Psalm 74:24

The primary purpose of assessment and evaluation is to improve student learning. In a Catholic context, this means that our practices recognize and affirm the dignity of all learners, encouraging and supporting them to reach their potential in order to optimize their well-being, learning, and achievement.

The Dufferin-Peel Assessment and Evaluation Policy aligns with the Ontario Ministry of Education document *Growing Success 2010, First Edition*. This policy applies to face-to-face classroom instruction, eLearning, and blended learning.

Learning Skills and Work Habits

The six learning skills – Responsibility, Organization, Independent Work, Collaboration, Initiative, and Self-regulation – are not included when determining a student’s grade, unless cited as a specific expectation of the Ontario curriculum. These skills are evaluated separately on the provincial report card using a four-point scale:

E-Excellent G-Good S-Satisfactory N-Needs Improvement

Student Absences: 30% Final

It is expected that students be present to complete all components of the final 30%. These final evaluations are designed to enable students to consolidate their learning and skills from the course and demonstrate achievement of the overall expectations. These

evaluations will occur at or near the end of the course during the regular school day and/or during the formal exam period. **There will be no exemptions from final 30% evaluations.** Any urgent matter should be referred to administration.

Depending on the grade, level, and nature of the course, the final 30% may include:

- an exam worth the full 30% **or**
- an exam and a culminating performance task worth 30% **or**
- a culminating performance task worth the full 30%.

Student Absences during the Culminating Performance Task (CPT)

A **Culminating Performance Task (CPT)** is a consolidation and demonstration of student learning. The CPT is a scheduled course requirement and students have practiced and prepared for it throughout the term. The CPT is completed during class time and under the supervision of the teacher, although minor aspects of the task may be completed outside of class time (e.g., rehearsing lines, practicing an instrument, locating materials, gathering research/data).

The potential academic consequence for missing part or all of this final evaluation is a mark deduction or a zero.

Student Absences during the Formal Exam Period

A student who is absent from a scheduled exam due to **illness** will provide a medical note to verify that absence; otherwise, a mark of zero will be assigned.

If it has been determined that a student's absence is as a result of a **skip/truancy**, a mark of zero will be assigned.

Note: Formal exam days are published well in advance and permission to write final exams outside of the designated dates/schedule will not be granted. In the event of school closure and/or bus cancellations due to weather conditions, the exams normally scheduled for that exam day are to be rescheduled for the identified snow day.

Note: Special circumstances may result in exceptions to this evaluation policy. Such cases will be referred to the administration for consideration.

Scent Sensitivity Awareness

DPCDSB has a Scent Sensitivity Awareness Campaign called *We Share the Air*. If you are sensitive to the scents within the school environment, you are not alone. Do not suffer in silence – tell someone, a friend, teacher, your principal. For more information about scent sensitivity, visit www.dpcdsb.org and click on ACCESS DPCDSB.
