- I saw a great example of using technology at the St. Margaret of Scotland School Council meeting when the treasurer presented her report using Facetime. We were able to see her and interact with her and she was able to see us and present her report and answer questions. A very productive meeting and a new experience for me at a council meeting.

- I, along with my fellow trustees, attended the OCSTA conference this past weekend. We heard wonderful, thought provoking speakers. We heard from the Minister of Education and were able to ask her some pointed questions. Our many resolutions were either accepted or sent to committee. Thanks to Superintendent Denise Oude-Reimerink for her help with this. We also heard from the Auditor General of Ontario. This was an excellent presentation of her role and responsibilities. We were able to give her suggestions for future audits and we did. Our director received an award for his outstanding contribution to Catholic Education which made all of us feel very proud; an award well deserved.

- Sincere congratulations to Superintendent Amaral and his committee for presenting and organizing a day-long conference addressing Diversity. Breaking Down the Walls conference addressed diversity in its many forms. The students heard from speakers, watched videos and worked in groups. Thank you David for all of your hard work and dedication to this subject. Again, thank you to David and his committee for the wonderful Seder Meal we all experienced just before Good Friday. I believe 168 staff came to the meal and took part in this beautiful service. And thank you to all of my schools for all of their dedicated work over the Lenten and Easter Season. I was able to attend Stations of the Cross as well as other prayerful liturgies. Thanks to all.

Trustee E. O’Toole acknowledged and thanked all of her schools for the invitations to Catholic Education Week liturgies and activities. There were many exciting things happening in the schools.
Trustee P. Ferreira offered congratulations to St. Bernadette School as they were recognized for their green initiatives by Erin Park Toyota. The school was presented with a cheque to further their green initiatives.

Trustee M. Pascucci congratulated Director J. B. Kostoff for receiving the OCSTA Award for his contributions to Catholic Education.

2. Education Development Charge By-Law-Policy Review Public Meeting—B. Bjarnason

J. B. Kostoff, Director of Education, invited members of the public to address the Board on the Education Development Charge By-Law changes, in relation to the public EDC meeting, three times. There was no response from the public to speak.

Trustee B. Iannicca joined the meeting in process.

B. Bjarnason, Superintendent of Planning, advised that the Education Act, legislation that governs Educational Development Charges (EDC), requires the board to conduct two public meetings prior to the passing of a new by-law. The first public meeting will review a number of policy matters related to passing an EDC by-law. The second public meeting will review the background data that is used to calculate the EDC. As discussions are ongoing with the development industry, the final by-law will be presented at the May 2014 Board Meeting.

Superintendent Bjarnason introduced S. Cox, Acting Manager of Planning, C. Clarke, consultant, Ameresco Asset Sustainability Group and B. Teichman, solicitor, Overland LLP.

The primary purpose for implementing an Education Development Charge By-law is to provide a source of funding for growth-related education land costs which are not funded by capital grant allocations.

C. Clarke reviewed the requirements under the Education Act prior to passing an EDC by-law. A complete package of the presentation was provided.

Motion 107 (14-04-29) by B. Iannicca Seconded by E. O’Toole

3. Education Development Charge By-Law-Successor By-Law Public Meeting—B. Bjarnason

B. Bjarnason, Superintendent of Planning, referred to C. Clarke to outline the Board’s consideration for the continued imposition of Education Development Charges (EDC) and successor by-law as well as informing the public on the Board’s education development charge proposal.

C. Clark reviewed the legislated requirements prior to passing the successor by-law. The Minister of Education reviews the submission of the board and is responsible for approving before the board can adopt the by-law.
C. Clark advised that the new by-law must be adopted no later than June 26th, 2014 to maintain continuity. The existing by-law expires on June 30, 2014. The new by-law passage is scheduled for May 27th, 2014 with implementation on July 1, 2014. A complete package of the presentation was provided.

In response to Trustee B. Iannicca’s inquiry regarding the increase of the EDC from an economic perspective, C. Clarke noted that when a building permit is issued, the developer will pay, not only the Dufferin-Peel CDSB charge, but also the Peel DSB charge. Generally, municipal development charges, regional development charges and EDCs would not have impact in terms of slowing down development.

In response to Trustee E. O’Toole’s inquiry, C. Clarke noted that when a developer is issued a building permit, they pay municipal development charges, regional development charges, school board development charges, each of which is a one-time cost. The major portion of development going forward is predominantly in the areas of Brampton and the Mayfield West portion of Caledon. The increase is due to the substantial increase in land values.

Trustee S. McLauchlan inquired when the EDC is calculated. C. Clarke advised that the EDC applies at the time of building permit application and the increase would not affect the houses in process or under construction.

In response to a question from by Trustee F. Di Cosola, C. Clarke noted that public boards have a higher EDC than the Catholic boards.
