

To Teach as Jesus Taught

O Jesus, Master Teacher
who came into the world so that all could have the fullness of life.

Help us to know and to live according to your teachings
and help us to make them better known.

We thank you, Lord, for letting us share
in the great ministry of teaching
which you gave to the Apostles and to your Church.

Inspire us with loyalty to our vocation
so we may help one another and our students to know your love.

May we follow in your footsteps, Lord,
who went about doing good.

You have said, "Let the children come to me".
Make us zealous in leading our students to you.

You called your Apostles to be fishers of men and women
Let us be true apostles in seeking out
and helping those who need your teaching.

May all of us spend ourselves in your service
and be drawn closer to you and to each other in so doing.

This we ask with confidence in the power of your Spirit.

AMEN
