Dear Parents/Guardians:

This letter provides details regarding the Dufferin-Peel Catholic District School Board (DPCDSB) Elementary remote only learning program option for the 2022–2023 school year.

The remote only program will operate in the same way as it has during this current 2021-2022 school year.

The following parameters will be in place for the remote only program:

1. Students will be expected to attend and participate online with classes each day, by logging on to their remote classroom meeting sites. Cameras are to be turned “on”, to enhance the overall learning experience. A student will be marked absent if the camera is not on, unless there are extenuating circumstances that have been communicated with the school.
2. DPCDSB is **unable** to offer:
  - French Immersion
  - Extended French
  - Gifted Program
  - St. James Catholic Global Learning Centre
3. Students in remote only learning will not have access to in-person extra-curricular clubs and/or teams.
4. Commitment to remote only learning is for the entire 2022-2023 year. There will be no opportunities to switch between remote only and in-person.

If you continue to be interested in the remote only learning option, please call your home school and confirm your interest with an administrator (principal or vice principal) **by Friday, April 8.**

If you have any questions regarding the remote only learning program, please connect with your school principal.
