

June 16, 2022

Dear Families,

As the end of the 2021-22 school year quickly approaches, we wanted to confirm the final report card distribution process with you. Please note the following as it applies to your child(ren)'s learning mode:

- A hard copy of the elementary term-two report card (FDK to Grade 8) will be sent home with students who are learning in-person on Tuesday, June 28.
- Remote-only students will receive their report card through regular mail the week of June 27.

Thank you so much for your ongoing patience and the incredible resilience you have demonstrated throughout the pandemic.

As always, should you have any questions, please contact your child (ren)'s principal.
