Flags Flying at Half-Staff at DPCDSB Schools & Facilities

Firefighters' National Memorial Day: September 11, 2022

September 8, 2022

Please note that flags on DPCDSB schools and facilities will be flown at half-staff through the weekend of September 10-11 to mark Firefighters' National Memorial Day on September 11.

The second Sunday in September of each year is designated in memory of firefighters who have fallen in the line of duty.

The Government of Canada recognizes the dangers firefighters often face when carrying out their duties, and the ultimate sacrifice of firefighters who have given their lives in the line of duty.

Firefighters' National Memorial Day commemorates their courage, their selflessness, and their unwavering commitment to serving our communities.
