February 16, 2022

As a result of ongoing driver absences due to COVID-19 illness or isolation, the Service de Transport de Wellington-Dufferin Student Transportation Service (STWDSTS) is required to make temporary service adjustments to bus routes serving St. Peter CES, St. Andrew CES and St. Benedict CES beginning Tuesday, February 22.

These temporary adjustments will mean that there will be rolling, one-week bus route cancellations to approximately three bus routes serving these schools starting next Tuesday, February 22.

To try and ensure that all students learning in-person have the ability to attend their school, the three bus routes cancelled for next week would be replaced by three different route cancellations the following week, and so on, for the duration of these temporary adjustments.

STWDSTS will be making every effort to resume full service as soon as possible, however, it is anticipated that these rolling week-long cancellations will be in effect until at least March 11.

Specific details about which bus routes are cancelled will be provided by your school each Thursday. If you have any questions about this matter in the meantime, please contact your school principal.

Additionally, please continue to monitor the STWDSTS website (www.stwdsts.ca) and twitter account (@STWDSTS) for service updates, including delays and cancellations.

Thank you for your patience and understanding.
