

June 19, 2018

With construction of St. Jacinta Marto Catholic Elementary School well underway, we wanted to provide you with a few updates prior to the summer break.

The Ministry of Education announced funding for the new school in November 2016. The firm of Kingsland Architects Inc. was retained by the Dufferin-Peel Catholic District School Board to design St. Jacinta Marto. After receiving the appropriate ministry and municipal approvals, construction of the school began in January 2018. Even with the compressed construction schedule, the contractor has committed to having the school completed in time for opening day. The DPCDSB design and construction team continues to monitor and work with the contractor to ensure adherence to the project schedule.

Registration for St. Jacinta Marto can be undertaken at St. Julia Catholic Elementary School, located at 6770 Historic Trail, Mississauga. Students currently attending a designated host school for St. Jacinta Marto will automatically be transferred with no further action required.

The selection of a child care provider for the before and after school program, as well as the child care facility, will take place in mid-June. Further information on the selected operator will be forthcoming through the school shortly thereafter.

Our next Community Update Bulletin will be issued in early August. If you have not done so already, we encourage you to provide the school with your email address either when you register at St. Julia, or by calling the head secretary at St. Julia at 905-366-5732 so you are able to receive future updates.

*Please note that this and future Community Information Bulletins regarding the construction of St. Jacinta Marto Catholic Elementary School can be found on the Dufferin-Peel Catholic District School Board's website, www.dpdcbsb.org, in the **About Us** section under [Planning and Operations](#).*
