Dear DPCDSB Elementary Families:

This is a follow-up to the Community Information Bulletin sent to DPCDSB elementary families yesterday regarding the upcoming changes to the Elementary Learning Model.

A reminder that IF YOU WISH TO SWITCH YOUR CHILD'S MODE OF LEARNING from in-school learning, *where the student receives instruction within the school building*, to remote learning, *where the student receives instruction virtually from home*,

OR

if you wish to switch from remote learning, *where the student receives instruction virtually from home*, to in-school learning *where the student receives instruction within the school building* to please complete the survey that was sent to you earlier this week, even if you are on a wait list.

Here is the [link to the survey](#), in case you missed it earlier.

IF YOU DO NOT WISH TO SWITCH LEARNING MODES, you DO NOT need to complete the survey.

If you have already submitted the Learning Mode Change Form and would like to change your selection, please resubmit a new form. The new form will override your original submission.

We will send you additional information on the change to the Elementary Learning Model the week of October 19th.

Thank you for your attention to this matter.
