

March 31, 2020

The Dufferin-Peel Catholic District School Board (DPCDSB) strongly supports the mental health, well-being and achievement of all of our students. In this regard, we are reaching out to our parent/guardian community to gather information on how we can best support the needs of our students, including student technology needs, during the extended school closure period due to COVID-19.

Please take a moment to complete the survey below by Thursday, April 2. Your feedback will greatly assist us as we move to deliver equitable and supportive, teacher-led learning during the school closure period.
