We recognize the complexity in making the decision to send your child(ren) back to school this September and will do our best to address your questions and/or concerns.

Any questions and/or concerns you may have that have not been covered in the Frequently Asked Questions [FAQ](#) document on the [DPCDSB website](#) may be submitted using our Return to School question tool: <https://bit.ly/3fLvBRO>.

Note that the FAQ document has been updated to reflect regional program offerings in the online environment.

Due to the similarity of many of the questions we are receiving, we are posting responses in a question and answer format in the FAQ document. We encourage you to check the Return to School webpage and FAQ document frequently for continuously updated information.

Thank you for your patience as we endeavour to address your questions and concerns.
