# FOCUS ON YOUTH CAMP 2022

## The Focus on Youth Summer Program is now in its 11th year.

This in-person summer camp for DPCDSB students in grades 5-8 will provide leadership programming that focuses on a variety of skills through music, visual arts, poetry and dance.

Each day begins with a dedicated focus on literacy.

Numeracy is embedded throughout the daily activities. The camp will include faith-based programming and daily sessions that will work to create a positive and reflective self-image while having fun using arts-based tools of education.

The camp will engage and empower youth through artistic expression to be role models and leaders for their communities. Each week, students will have presentations from professional artists and community members representing a variety of art forms and skills. Through interactive workshops these individuals will share their unique gifts and talents with students and give students opportunities to develop and practice the related art form and skill.

The camp will also have additional support from a variety of service providers who will offer weekly energetic programming that will get students active and engaged in learning

Focus on Youth is funded by the Ontario Ministry of Education to support not-for-profit groups in delivering summer programs that keep young people safe and active. The Dufferin-Peel Catholic District School Board and Aspire 4 Hire have partnered to deliver a unique, in-person summer experience for youth.
