Functional Academics and Daily Living Skills Resource

Special Education and Learning Services

“For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.”
Jeremiah 29:11
# Table of Contents

## Literacy Resources

### Literacy Websites:

### Letters:

- ABC Game: I Have..Who Has..
- Activity: Printable Letter Boards
- The Disappearing Alphabet 1 of 2 Printable Board
- The Disappearing Alphabet 2 of 2 Game Instructions

### Colours:

- Handprint Rainbow Craft
- Colour Themed Paper Crafts

### Sounds:

- Learning Letter Sounds Activities

### Matching:

- Animal Matching
- Letters A-M Letter Matching
- Letters N-Z Letter Matching

## Mathematics Resources

### Math Websites:

### Math Paper and Pencil Activities:

### Shapes:

- Worksheets for Identifying and Naming Shapes

### Numbers and Counting:

- Worksheets: Counting Numbers
- Worksheets: Counting Up To 20 Objects

### Patterning:

- Worksheets: Shape Patterns

### Addition:

- Worksheets: Adding (Sums to 10) Using Pictures / Objects
- Worksheets: Adding a 2-Digit and 1-Digit Number (No Regrouping)
- Worksheets: Add One 2-Digit and Two 1-Digit Numbers
- Worksheets: Adding Two 2-digit Numbers
- Addition Game Ideas on Pinterest

### Subtraction:

- Worksheets: Subtracting Using Objects or Pictures (0-10)
Worksheets: Subtraction With Numbers Up to 20, No Regrouping 8
Worksheets: Subtracting Whole Tens From 2-Digit Numbers 8
Worksheets: Subtracting Whole Hundreds 8
Money:
  Worksheets: Counting money - nickels and dimes (Canadian) 9
  Worksheets: Counting Canadian money - all coins 9
  Worksheets: Counting Canadian money: the 5 coins and $5 bills 9
  Making Change Hands-on Game 9
Telling Time:
  Worksheets: Telling Time 9
  Worksheets: Telling time: AM and PM 9
  Worksheets: Calendar/Days of the week 9
  Worksheets: Calendar/Months of the year 9
  A List of Online Games for Telling Time, Calendars and Elapsed Time 9
Division:
  Worksheets: Division Sentences 9
  Worksheets: Dividing With Equal groups 9
Multiplication:
  Worksheets: Arrays As Groups Of Like Objects 9
  Worksheets: Rows and Columns As Groups 9
Measurement:
  Worksheets: Longer or Shorter? 9
  Worksheets: Measuring Lengths in Centimetres 9
  Worksheets: Measuring in Centimetres or Millimetres 9
Hands-On Learning Math Activities: 10

Welcome To:
A Repository Of Functional Academics and Daily Living Resources

- This resource is intended to support student self-directed learning opportunities that are supported by parents/guardians during their absence from school.

- Please note that the websites collected in this resource are not DPCDSB approved and may involve the creation of a user account or in-app purchases in order to access enhanced activities and therefore, should be used at the family’s discretion.

- The contents of this resource include the following content areas: Literacy, Mathematics and Daily Living.

- To support student learning and engagement; websites, paper pencil tasks and hands-on learning activities have been included.

- Please use the table of contents to scroll through this resource.

Special Notations:
- Please note that some websites may require enabling Adobe Flash Player on the device.

- Families should be aware that some daily living activities included, may involve food sensitivities or food allergies for their young person.

Thank-you for partnering to support your learner at home!
