

February 2023

The Dufferin-Peel Catholic District School Board (DPCDSB) and the City of Brampton are in the process of concluding the land exchange between school board land and city park land.

Notwithstanding the formal exchange of documents, which is imminent, the field is now complete for Lester B. Pearson Catholic Elementary School students to enjoy, and the fence has been installed along the new property boundary. DPCDSB and the City of Brampton would like to thank the Lester B. Pearson community for their patience and understanding during this land exchange process.

The City of Brampton will now be able to proceed with finalizing plans for the construction of the new recreation centre that will be built next to Lester B. Pearson.

As always, student safety is of the utmost importance. The City of Brampton will ensure that the safety of the students will be maintained during the recreation centre construction period, as they are aware that safety concerns are paramount to the school community and DPCDSB.

Information on the reconstruction of the Howden Recreation Centre can be found on the City of Brampton website: <https://www.brampton.ca/EN/residents/Recreation/Pages/Recreation-Revitalized-Howden.aspx>

Please note that this and future Community Information Bulletins regarding this matter can be found on the Dufferin-Peel Catholic District School Board's website, dpcdsb.org, in the [About Us](#) section under [Planning and Operations](#).
