Online Christmas Activities
Welcome!

The following asynchronous Christmas resource has been curated for the purposes of student engagement and for home entertainment.
Special Notations:

- Many of the resources link to materials or websites operated by external organizations. These links are provided as a convenience and for informational purposes only and do not constitute an endorsement of any external organization or information found on their site.

- Please note that the websites collected in this resource are not currently DPCDSB approved and should be used at the family’s discretion.

- Some of the websites included may require enabling Adobe Flash Player on the device.
Instructions:

This e-resource is divided into sections by a title or concept.

- The concepts are divided into virtual theme “classrooms.”
- Within each classroom, “concept” images are present.
- Click on the images throughout each classroom to be directed to e-resources and websites to support your child/young adult.
- Many of the “classrooms” include choice based activity(s) to encourage independent exploration or structured schedules.
- Enjoy and have fun!
Click on a Christmas book on the shelf to listen to a read aloud.
