THURSDAY, FEBRUARY 25,  
2021

TIME: 7:00 P.M.

- Associate Medical Officer of Health at Peel Public Health and lead physician supporting school reopening plans in Peel region
- Supported a broad range of public health programs in communicable disease, environment health and chronic disease and injury prevention
- Trained as a family physician at St. Michael's Hospital and graduated from Public Health and Preventive Medicine residency program at the University of Toronto

## Blood for Life

### New donors are a vital link in Canada's Lifeline

To help bring awareness for blood donation and grow the national community of blood donors in Canada, we need ongoing support to spread the word and inspire others to join **Canada's Lifeline**.

### Youth Empowerment Workshop with Canadian Blood Services

Join us to learn how you can make a difference in your community before, during and as we recover from COVID-19

Thursday, February 25 at 7 p.m.

#### Guest Speakers:

Lilet Raffinan  
Territory Manager

Elaine St. Pierre  
Territory Manager

Sophie  
Blood and  
Stem Cell Recipient

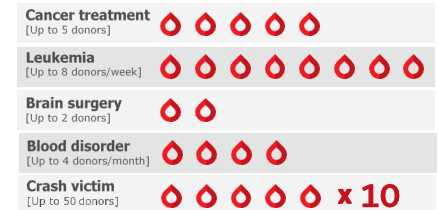

Aary  
Blood Recipient

### Every blood donation makes a lifesaving difference

The need for blood is constant. One blood donation from a single donor equals one unit of blood. It often takes more than one generous donor to help treat a patient.

\*You must be 17 years of age or older to donate blood\*
