Re: Reminder for Parents - Courtesy Transportation Applications

This year, where possible, STOPR will be starting the assignment of courtesy seats one week earlier than normal.

Therefore, STOPR would like to remind all parents/guardians that ***Courtesy Seat Applications*** must be submitted to their school by Monday Sept 19.

School administration will then review applications and determine who will receive a courtesy seat.

Beginning the week of Sept 26, STOPR will begin to assign courtesy riders to bus routes. This process will take approximately three weeks to complete.

For more information parents/guardians can review the *STOPR Courtesy Seat Procedure* (STOPR013) which can be found along with the *Courtesy Application Form* on our website at www.stopr.ca under the Procedures and Forms tab.

Thank you
