#### **SECONDARY ONLINE LEARNING UPDATE:**

Good afternoon. Please be advised that due to challenges in timetabling and scheduling students and teachers in the secondary online school which is now approaching an enrollment of nearly 6,500 students, the first day of online class with the course teacher will be on Thursday, September 17. Timetables will be emailed to students on Wednesday, September 16. We thank you for your patience as we undergo a dramatic change in enrollment in both our physical and remote/online schools.

Secondary students in the online school will have opportunities to attend virtual sessions on Monday, Tuesday and Wednesday to support the transition back to school. Some sessions will be live, and others will be asynchronous. Students will choose to attend either the morning or afternoon session. Further information will be provided on how to access these sessions. If you advised your home school that you require a device, you can expect communication regarding an opportunity for device pick up. If you have not been contacted in this regard, please contact your home school office directly.
