

November 9, 2020

Dear Parents/Guardians:

As we prepare for the beginning of Quadmester 2, please be advised that student timetables will be provided for in person students this week and will be emailed to students who are currently learning in the virtual school. Students who will be attending school in person will continue to be divided into Cohort A or Cohort B. It is possible that students who were assigned to Cohort A in Quadmester 1 could be assigned to Cohort B in Quadmester 2 due to the demands in course selection and timetabling. This change will be reflected on their timetables. We thank you for your continued patience and support as we move forward with our next Quadmester.

****Please note**** November 13, 2020 will be a transition day for all students. There will be no classes on this day. Students who are in the Planning for Independence and Communications Program will attend school. All students should be checking their email for invitations to their new learning management systems and to review course profiles which will be further discussed on November 16, 2020.
