### Update: St. Leonard Catholic Elementary School

August 2023

As students and staff prepare for the upcoming school year, Dufferin-Peel Catholic District School Board (DPCDSB) is pleased to share the good news that St. Leonard Catholic Elementary School (CES) will reopen its doors to returning students on September 5.

It has been a long journey for students, staff, and families following an unfortunate event which saw the St. Leonard school community displaced since May 2020.

Restoration of the original building is in the final stages of completion and, while the school will be ready to welcome students in September construction of the addition is expected to be ongoing during the fall. This will not affect the occupancy of the original building. DPCDSB has constructed numerous additions to elementary and secondary schools while students have occupied the original portion of the building.

We express our profound gratitude to the St. Leonard school community for your patience and perseverance throughout the past three years. We look forward to welcoming St. Leonard staff and students back to their home school site at 185 Conestoga Drive.

Wishing you all the best as you enjoy the last few days of the summer break.
