Are you looking to change up your day camp programming and get your kids active and outdoors? Credit Valley Conservation is offering exciting field trip opportunities for summer camps.

These full or half-day nature-based programs take place at the beautiful Terra Cotta Conservation Area in Halton Hills. The park is only a 30-minute bus ride from Orangeville and Brampton, and 15-minutes from Georgetown.

Participants will engage in hands-on forest exploration, learn about the outdoor environment and play nature-based games. Don't miss out on a truly unique summer experience!
