

Become a Forensic Scientist at Trent University's Forensic Science Camp - Summer 2022

Crime Scene Investigation • Fingerprinting • Bloodstain Pattern Analysis • Entomology •
Wildlife and Human DNA • Evening Activities & Excursions • And much more!

Tailored for students 13 – 17 years old, attendees of Forensic Science Camp will experience a week in the life of a forensic science university student! Campers will:

- learn about **forensic and investigative techniques** from experienced university educators,
- meet and interact with prestigious **guest speakers** from various forensic fields,
- work alongside the NRDPFC's state-of-the-art forensic **DNA laboratories**,
- take part in a mock-trial in our forensic science **Court Room**, and
- process a crime scene at Trent University's ***NEW*** one-of-kind **Crime Scene Training Facility!**

Dates Session 1: July 10th – July 15th
Session 2: July 17th – July 22nd
