- Takes place in a logging or mining environment, if the student is under sixteen years of age;
- Takes place in a factory, if the student is under fifteen years of age;
- Takes place in a workplace other than a factory, if the student is under fourteen years of age and is not accompanied by an adult;
- Would normally be performed for wages by a person in the workplace;
- Involves the operation of a vehicle, power tools, or scaffolding;
- Involves the administration of any type or form of medication or medical procedure to other persons;
- Involves handling of substances classed as "designated substances" under the Occupational Health and Safety Act;
- Requires the knowledge of a tradesperson whose trade is regulated by the provincial government;
- Involves banking or the handling of securities, or the handling of jewellery, works of art, antiques, or other valuables;
- Consists of duties normally performed in the home (i.e. daily chores) or personal recreational activities;
- Involves activities for a court-ordered program (e.g. community-service program for young offenders, probationary program).
