***I Love Chocolate* by Davide Cali; illustrated by Evelyn Daviddi
Reviewed by Ms. Cosgrove, April 4th, 2012.**

One of the things I have always associated with the Easter Season is chocolate - chocolate eggs, chocolate bunnies, chocolate anything. From searching for the chocolate goodies my parents hid for me to ultimately devising elaborate Easter Egg hunts for my nieces and nephews, chocolate has been the secular centerpiece for this holiday.

Today's book presents the joys of chocolate from a child's perspective who explores the kinds of chocolate, the ways of eating chocolate, as well as a weekday guide to the gifting of chocolate. The incredibly cute text, as well as the warm illustrations, makes this a fun book to share with little children during these few days before Easter Sunday. The book is as much about sharing as it is about extolling the virtues of the world's most loved confection.
