

## **Grade 8 Parents' Information Night**

**Thursday, November 21, 2019**

**6:30 p.m.**

This public information session is for the parents/guardians of Grade 8s who are interested in attending Father Michael Goetz Secondary School in the 2020-2021 school year.

The evening will begin with a brief presentation in the Caf, followed by an Open House, where parents/guardians and Grade 8 students can tour the facility, drop in on “classes”, check out extracurricular activities, watch our teachers and students in action and experience life at Father Michael Goetz!

All parents/guardians in our community and their Grade 8 children are welcome!
