*Hey Catholics!*

May is the Month of Mary and today is Mother's Day! Many of us have been asking for Our Lady's intercessions more and more. From my office window, I can see the Marian Garden on the east side of the school and I am inspired daily by the number of community visitors that stop to pray. They are likely for the same thing that we all are....the end of this pandemic. Have faith that our prayers are being heard and we will all be back together again soon! Stay safe and God bless. *Mr. Coccimiglio*

**Catholic Education is celebrated every day of the year!**

Last week was celebrated as Catholic Education Week - an annual initiative of the Ontario Catholic School Trustees Association of Ontario. On Wednesday, May 5<sup>th</sup>, His Eminence Thomas Cardinal Collins presided over the Virtual Provincial Mass from St. Michael's Cathedral in Toronto in celebration of our Faith in Catholic Education. In his homily he referred to a prayer by St. Richard of Chichester in which he said is the Heart and Soul of Catholic Education. "O most merciful redeemer, friend and brother, may I see you more clearly, love you more dearly, and follow you more nearly, day by day by day." These are the main points he shared: We **see the Lord** more clearly through our families, schools and parishes working together as one community of faith. We see Him as a living person. We see Him by reading and reflecting on Scripture as we listen to His call.

We **love the Lord** by trying our best to live a life of holiness and open our hearts to His heart to speak to us. We **love the Lord** by caring for others in need of our assistance.

We **follow Him** joyfully! By **serving Him** joyfully! He challenges us to follow Him as the Lord leads us to be formed in Truth, Purity and to be Salt and Light to the world.

Let us continue to celebrate the gift of Catholic Education by living out the Cardinal's call to live out our call of discipleship, which is the heart and soul of Catholic Education.

*Peace and Blessings*
