'Take a Risk... Get Involved... Be Committed'

Volume 6, Issue 2

Superintendent: Cairine MacDonald

Trustees: Bruno Iannicca, Stefano Pascucci, Luz del Rosario

Greetings to the Goetz Community,

Well it certainly has been an eventful start-up! We continue to navigate the challenges of educating in the time of a pandemic. Unfortunately, our school was affected almost immediately with two cases among students. They were both the result of community spread and our protocols worked in stopping school transmission. We pray for a speedy recovery for those students and their families and we encourage all Gators to get vaccinated at our pop-up community clinic at Goetz on Saturday. In the meantime, we are trying to restore our traditional sense of community by planning events while always respecting Covid protocols and keeping the safety of staff and students at the forefront. In addition to Orange Shirt Day, for example, our annual Terry Fox Walk will take the form of scheduled walking breaks for a few classes at a time over the course of the morning and our orientation for Grade 9 (and 10!) students will take place outside in a mini-assembly format. We are not raising funds directly for the Terry Fox foundation, but have included the link for donating [here](#). And finally, please consider joining our Virtual School Council Meeting next Monday Night. The link is below. Until next week, God Bless *Mr. Coccimiglio*
