Hey Gators!

It's a busy and exciting week at Goetz. We welcome our friends from Unity Charity as they use the power of music to help the students and staff at Goetz use the arts to assist us with the challenges we are all facing regarding our well-being in these trying times. In addition, many of our clubs are up and running and we await information regarding Student Council elections and Graduation. Stay tuned, the information is sure to come fast and furious! Stay safe and God Bless,

Mr. Coccimiglio

Lent/Spring!

As we continue our preparation for Easter and enter into this 5th week of Lent, it is to note that in England "Lent" was the season between winter and summer, and typically the Church observance of these forty-days took place *during* "Lent." After time, the name "Lent" signified the Church season, and English-speaking people came up with another word to designate the calendar season. That word was "Spring!" It is to note that Spring is now here! Spring brings forth new life out of the bleakness of winter. So as we tie "Lent" to "Spring" may we see the new life and spirit continue to be brought forth from us through our Lenten almsgiving (*that is, giving to others*), prayer, and fasting (*as we sacrifice and continue to give up that special something*). And so we pray:

Loving God, we don't always see the beauty and mystery of Lent during the season of Spring. Help us see your saving grace and your loving touch in our lives as we continue to give to others in need, pray more and sacrifice those things that we take for granted. May our Lenten practices bring us to the joy of the Resurrection renewed in our faith! Peace and Blessings!
