Greetings to the Goetz Community,

It has been a very busy few weeks at Farther Michael Goetz! Between the Awards Ceremony, the Reboot of Kaleidoscope Arts Night, Black History and Valentine's Day activities, plus the return of extra-curriculars, school life is almost back to normal! It has been incredible to see the joy and exuberance of students as we celebrated artistic talent, academic ability and culture!

In addition, admin and teaching staff continue to work towards normalizing the school experience by taking a series of steps around guidelines and student expectations. Policy reminders around daily announcements, washroom use and access to hallways have been well-received by staff. More to come around lates, attendance and uniform. In the meantime, stay safe and take heart in knowing that spring is around the corner!

A Message from our Chaplaincy Leader...

Hello Gators! We are actively looking for students interested joining our dynamic and exciting team! If you have any questions or wish to simply join us at our weekly meetings on Wednesdays in the chapel at 2:30p.m., please be open to checking us out and then determining if you wish to share your unique gifts and talents. Please speak to any of our 50+ campus team members, or you can see me in my office room 202 next to the chapel.

Also, be sure to follow us @gatorcampus on Instagram in order to keep up with the many exciting initiatives and upcoming events that are taking place in campus ministry here at Goetz. This week will on **"In Convo with Gator Campus"**, we will be interviewing Grade 12 students and campus minister, Noah Melmer. You will not regret watching this episode. Trust me.

As well, this is the last week to submit your entries for our very first logo contest for campus ministry! When making your submissions, please be sure to include themes of service, prayer, community life, celebration of cultures, interfaith, etc. Submissions will be open until this Wednesday February 23. The link to the google form can be found on our bio @gatorcampus, as well as below. Finally, the winner of the contest will be chosen by members of our campus ministry team and will receive a prize in the form of a gift card! Good luck Gators! And may the best design win!

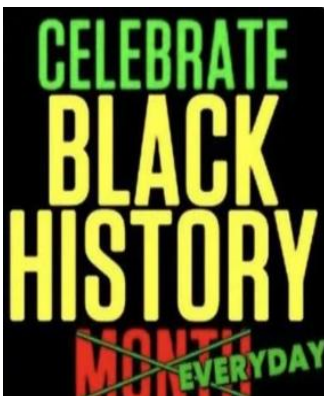

Ms. Minardi
