A Message from Our Chaplaincy Leader...

Yesterday, the Catholic Church celebrated the feast of the Solemnity of Christ the King, which ends the current liturgical year and moves us into the 1st Sunday of Advent beginning next week. It is on the feast of Christ the King, that the Church presents a King in Jesus Christ that is humiliated, laughed at, mocked, and dies in agony on the Cross, amid bystanders and non-believers that witness this so-called King's reign come to an end. An end that is void of the very life and teachings of Christ while in his ministry here on earth. Our Holy Father Pope Francis remarked that this gospel portrayal of Jesus presents royalty and kingship in a surprising way.

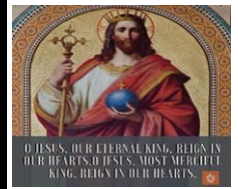

"The Christ of God, the Chosen One, the King" (Lk: 23:35, 37) appears without power or glory; he is on the Cross, where he is more conquered than conqueror. His kingship is paradoxical."

"For the grandeur of his kingdom is not power as defined by this world, but the love of God, a love capable of encountering and healing all things. Christ lowered himself to us out of this love; he lived our human life and experience, and he suffered to the lowest point of our human condition: injustice, betrayal, abandonment; he experienced death, the tomb, hell. And so, our King went to the ends of the universe to embrace and save every living being."
